Caring about others and sharing with others are the two keys to more abundant and fulfilled living. Through the acts of caring and sharing we can spread happiness all around. Caring and sharing are the most valuable gifts a human can give to others in our surroundings namely our family, friends, relatives, animals, plants, natural resources, our culture and heritage monuments etc. It is very important to teach our young children and cultivate a compassionate heart in them for developing the virtues of caring and sharing.

This year's Summer Assignment Theme is

“Spreading Happiness through Caring and Sharing”

The projects & activity sheets made should be linked with the main theme of the exhibition, through captions & slogans.

THERE IS COMMON HOMEWORK OF ENGLISH, HINDI, MATHS, GENERAL SCIENCE, SOCIAL STUDIES, ART AND COMPUTER FOR ALL THE SECTIONS.

IT IS FOLLOWED BY THEME BASED HOMEWORK FOR EACH SECTION.

ALL THE ACTIVITIES DONE UNDER THE THEME BASED HOMEWORK WOULD BE PUT UP IN THE EXHIBITION TO BE HELD ON 16TH JULY 2016.

Theme Based Summer Assignment

Class I A

TOPIC - PEOPLE AROUND US

For all the students of I A: Make a badge (of a diameter of 5 inches) with a slogan expressing your gratitude towards your grandparents/relatives.

Roll Nos: 1-14

- Gift wrap an empty carton or a shoe box. Attach a slip and write the senders name and the name of the friend/family member/neighbour to whom it has to be gifted to. Also write a message on it, related to the theme.

- Make a beautiful greeting card using a coloured A3 size sheet for your friend’s birthday. Convey a message on the inside of the card that you are his/her best friend and you love and care for your friend.

Roll Nos: 15-28

- Using waste material, make a beautifully decorated photo frame, put your friend’s/family member’s photograph in it. Write a caption connecting your project to the theme.

- Make a model of a Wish Tree (about 2 feet) with beautiful leaves and fruits. On coloured slips write at least 10 ways expressing how you would like to help your friends, family members or neighbours and paste on the tree.

Roll Nos: 29 onwards

- On an old table calendar paste photographs of your family members, friends or neighbours with whom you had celebrated special occasions like birthdays, weddings, festivals or visited any historical place. Decorate each page of the calendar. Also write the date and venue.

- Make a Wish Box by using an old carton or a shoe box. Also write at least 5 wishes (each on a separate slip) expressing your feelings how you would like to help your friends, family members or neighbours.
Class I B

TOPIC : OUR ENVIRONMENT

Roll Nos: 1-14

- Make a flower pot using waste material and grow a plant in it. Use playing dough to make different shapes like a circle, triangle, leaf etc. and paste on the pot. Write a caption to connect your project with the theme.

- Find out why we should plant more and more Peepal and Banyan trees: On a chart paper write your findings and also draw a Peepal/Banyan tree on it.

Roll Nos: 15-28

- Make a model of a Banyan tree using waste paper and newspaper. Roll the brown sheet to make the trunk and branches and green sheet to make leaves on the branches. Decorate the tree with various slogans to highlight the importance of trees.

- Cut a white A3 pastel sheet in the shape of a flying bird. Colour it with different colours. Tie it with a 4 metres long thread in the centre.

Roll Nos: 29-41

- Make a beautifully decorated table calendar with slogans / captions & pictures telling the ways to stop air pollution and keeping the air clean.

- Make breathing masks used during high levels of air pollution. Write a caption/ slogan to connect your project with the theme.
Class I C

TOPIC: NATURAL RESOURCES

All the students of I – C must prepare a hanging planter from a used plastic bottle of water etc....

Roll Nos : 1-14

- On an A3 size sheet, make a collage of the pictures of your family members doing various activities related to different ways of saving water. Put a caption to your collage, relating it to the main theme.
- Make beautiful Posters with catchy slogans to encourage people to save water / fuel for future generations.

Roll Nos : 15-28

- On a hardboard make cut outs/ models of different modes of transport that use pollution free fuel e.g. CNG, Electricity etc., and use catchy slogans for your model to connect it with the theme.
- Make posters with slogans/poem to encourage people to use public transport, car pool etc. to reduce air pollution.

Roll Nos : 29 onwards

- On a chart paper draw or paste pictures and list the steps that you would follow to minimise ecological footprint on the environment. e.g. ‘Saying no to plastic’, ‘Turning off lights/ fans when not in use’....
- Make beautiful greeting cards on conservation of any one of the natural resources. Also write catchy slogans for the same.
