ENGLISH

Dear kids,

We are sure that you all must be very excited about your summer break and must have already made plans to visit your grandparents, relatives and friends, watching television for long hours, joining summer camps, eating new flavours of ice creams, playing for long hours in the park and waking up late in the mornings.

We wish you enjoy your vacation to the fullest with your friends and families. You must take out time to learn and explore new things, visit museums, help out your parents and grandparents at home, read an English newspaper daily, and read as many story books as possible to improve your reading skills and enrich your vocabulary.

Besides the above mentioned, we would also like you to do the following. Have an enjoyable summer!!

Q1. Watch any English movie for kids during your vacations and write the summary in activity sheets making a poster of the same movie.
   or
   Read any children’s novel and prepare a book jacket of the same. Also, write the story in your own words on activity sheets.

Q2. Read and learn any story from your literature reader.

Q3. Write a paragraph describing any place that you may visit during your holidays. (Do in English grammar notebook)

Q4. Write a letter to your friend living in another city telling him/her about the problems faced by you and your neighbours due to shortage of water and power cuts in Delhi. Find out about at least 3 places in India which are facing water crisis. Write the reasons for the same. Also, state the measures being taken by the government to face the situation. (To be done in Activity Sheets).

Q5. Revise the syllabus covered so far.

Q6. Let’s be Creative!! Write at least 5 essays, articles, self-composed poems on topics of your choice for the annual magazine, Sagarika. You may also submit new recipes, autobiographies, interviews, movie and book reviews for the same. (to be written on activity sheets.)
GENERAL SCIENCE

1. Identify and count the number of teeth you have. Compare them with your Grand Mother, Father , Brother, Sister, Mother, Uncle, Aunt and your friends. Discuss the differences between permanent and temporary teeth.
   Find out some information about braces and their uses. Who is an orthodontist?
2. Prepare a poster of ‘Balanced Diet’ on A4 sheet.
3. Collect small pieces of fabrics – Man-made and Natural. Paste them neatly and label them. Write their uses in brief. Make a separate file and decorate it creatively.
   (Reference lesson 4 of the Textbook)
   This project will be evaluated on the following criteria:
   Knowledge, presentation, variety of specimens.
4. Revise the syllabus covered in class.

HINDI

कार्य संख्या 1, 2 को स्कूल आलगा कॉर्स में करें।
क्लर्टीय पाठ के पाठ - 3, 5, 6 में आए कल्तन शास्त्री
को राख करें और उससे बाबत कराएं।
(साला में 10 शास्त्र)
2. सुनामाकार कार्य - हिंदी पृष्ठ वृहतों के चित्रों
को चिपकाने उनका चित्र लगाने करें।
3. प्रथम टेस्ट परीक्षा हैं लिख लिए ब्रेनाकार कार्य
की स्कूल शास्त्री शास्त्र में करके माइले में लगाएं।
4. सामग्रिक हैं हिंदी में स्वस्थित लेख, कहानी,
आयामित, युक्तिकुल आदि लिखें।
(इसे अलग जमाने पर रखिएं)
MATHS

1. Revise the syllabus covered so far.
2. Learn the multiplication tables upto 15.
3. Make one Maths Holiday Homework notebook and practice 30 sums of addition, 30 sums of subtraction, 30 sums of multiplication, 30 sums of division from any maths book.
4. Collect & solve mathematical puzzles (atleast 3) from different magazines and newspapers and put them in maths holidays homework notebook.
5. Do the project work in the first cycle mentioned below:

Project Work (to be done in Activity Sheet):

To know the water consumption and the expenditure on water bill of your family, collect five water bills, note down the water meter reading and the amount paid. Round off the collected figures to the nearest tens and hundreds. Also make the largest and smallest five digit numbers using the same figures for both – meter readings as well as amount.

Parameters for evaluation- Application, presentation, timely completion
